Missed Lessons/Make up Classes - We understand that from time-to-time children become ill or have an unexpected commitment pop up. River City Gymnastics offers make-up classes in these circumstances. Make-up classes are available upon request via an email to the office, dependant upon availability of another suitable class. Make-up lessons must be completed in the same term as the missed lesson. Maximum of 2 make-up lessons per term. In the event of venue interruption or classes being cancelled we will offer a replacement class. If your child is unable to attend classes for two or more weeks due to illness or injury, a credit for missed classes can be applied to their fees for the following term. Please present a medical certificate to the office to obtain this credit.
